No

I just used the General Class Study Guide (couldn't get the ARRL Manual in time) to study for my General Exam. Prior to this, I had tried studying by taking the eham.net practice tests, and while they helped, when I went and took the test, I failed (22/35) when I went for the exam.

Amateur Radio General Class License Class Syllabus

This material is based on the published 2015 General Class License question pool, effective July 1, 2015, with additional information added by the author (in italicized blue text). You do not need a copy of the current ARRL General Class License Manual. All of the questions that may be in the exam are contained in this syllabus.
