

Download Bureaucracy In Modern Society

Bureaucracy in Modern Society by Peter Michael Blau

Bureaucracy in Modern Society. This revision of a classic study teaches important lessons about what often seems to be the paradoxical role of bureaucracy in contemporary society. This third edition contains a new chapter on bureaucratic dysfunctions and updated, expanded coverage of environments and organizations and bureaucratic rigidity.

Bureaucracy in Modern Society

Bureaucracy is a term which was originally contrived by combining “bureau,” which meant desk in office, and “cracy,” which has meant “rule” since the ancient period.

Six Characteristics of Bureaucracy | Bizfluent

Max Weber was a Renaissance man in a changing world. Educated in law, history, philosophy and economics, he became one of the founders of the modern science of sociology – the study of society and its institutions. Weber defined modern bureaucracies as goal-oriented organizations that shared six characteristics.
