Fashion History: A Global View (Dress, Body, Culture ...

Fashion History: A Global View proposes a new perspective on fashion history. Arguing that fashion has occurred in cultures beyond the West throughout history, this groundbreaking book explores the geographic places and historical spaces that have been largely neglected by contemporary fashion studies, bringing them together for the first time. Reversing the dominant narrative that privileges Western Europe in the history of dress, Welters and Lillethun adopt a cross-cultural approach to ...

Fashion History: A Global View (Dress, Body, Culture ...

Fashion History: A Global View proposes a new standpoint on fashion history. Arguing that fashion has occurred in cultures beyond the West right through history, this groundbreaking book explores the geographic places and historical spaces which have been in large part neglected by up to date fashion studies, bringing them together for the first time.
