The Hunger Artists: Starving, Writing, and Imprisonment. The phenomenon of voluntary self-starvation - whether by political hunger strikers or lone anorectics - is a puzzle of engrossing power, suggesting a message more radical than any uttered aloud. In this fascinating phenomenology, Maud Ellmann teases out this message, its genesis, expression,...

The Hunger Artists — Maud Ellmann | Harvard University Press

The Hunger Artists plumbs this vampirical feeding of words on flesh, revealing strange and undeniable affinities between the labor of starvation and the birth of letters, diaries, poems, books. Ellmann works in the spirit of Kafka, who, emaciating his prose, slimmed the weighty nineteenth-century novel into compelling short tales; her prose is crisp, her message clear.

The hunger artists: starving, writing, and imprisonment ...

The hunger artists: starving, writing, and imprisonment. The Hunger Artists examines this vampirical feeding of words on flesh, revealing uncanny affinities between the labor of starvation and the birth of letters, diaries, poems, books. In her lean and vibrant prose, Ellmann reaches beyond the fashionable preoccupation with the body to the terrifying logic of disembodiment.
